We invite you to attend the "Lasers and Aesthetic Medicine on 5 Continents" Congress. This unique event is scheduled to take place September 2009 in Nice. For the first time ever physicians from all over the world may use this location as a professional platform for extensive interaction and advanced training. Under the guidance of an international panel of dermatologists and plastic surgeons, who have taken up the challenge to organise a new dimension of a highly professional 3 day conference in terms of basic science and controversies in the field of aesthetic medicine.
